DISTRICT 4-C1  
HUMANITARIAN  
FOUNDATION

**“BRINGING GREATER  
STABILITY AND  
INDEPENDENCE TO THOSE  
WITH VISUAL, HEARING,  
SPEECH, AND BIOLOGICAL  
DEFICIENCIES”**

*Established 1978*

Supported by voluntary contributions

## Purposes and Objectives

Assistance may be just a phone call away!

Our goal is to bring greater stability and independence to those individuals with visual, hearing, speech and biological deficiencies.

We can provide equipment, services and financial assistance to the Lions Clubs of Dis-

trict 4-CI for programs for sight conservation, Gift of Life, and other related Humanitarian endeavors under the direct control and supervision of Lions Clubs of District 4-CI. Specific bequests may be made to individuals in order to provide relief from the adverse effects of deficiencies as identified above.

We also can provide equipment, services, and financial assistance to *other entities* which operate under the control of Lions Clubs International District 4-CI to the extent such entities are engaged in activities which conform to the purposes and objectives of the Humanitarian Foundation. The Foundation will consider all

requests of a humanitarian nature.

## Recent Contributions to local Lions Clubs

Closed TV to enlarge pages for reading

Transportation and accommodations for mother and child to receive medical treatment in Los Angeles

Voice recognition and talking computer for student losing eyesight

Sound deadening material for a gym for the physically and mentally challenged

And in October 2009, prosthetic ear for a child

**A fund-raiser by your Cub with proceeds directed to the Humanitarian Foundation are always welcome and may be conducted in the name of the Foundation.**

## Assistance Applications

If your Lions can help a person or a group in your community, but your concern is the project is beyond the capability of your club, **Please contact us:**
